3D Artist & Motion Designer

Savannah College of Art and Design
Senior Student-Athlete (Golf)
B.F.A 3D Technical Animation - In progress

Experience

- **Graphic Designer - Filomena Artesana Bakery**
June 2018 - September 2025
 - Designed and created a variety of print materials, including promotional posters and flyers, to support key marketing initiatives. I also managed all product photography, delivering high-quality images for social media, menus, and advertising campaigns while
- **Set Dresser - Holly Mole-y Student Film**
May 2025
 - Collaborated closely with the art team to develop unique organization and ensuring each piece fit to the overall aesthetic vision and storytelling of the project.
- **Environment Artist - Bad News Student Short Film**
April 2024
 - Embraced creative challenges as a 3D environment artist by meticulously designing a detailed kitchen set, ensuring it harmonized with the project's artistic vision and enriched the overall atmosphere.
- **Prop Modeling - Grocery Island Student Short Film**
May 2024
 - As a 3D prop modeler for the student film, I embraced the challenge of creating realistic organic props, ensuring each piece added to the film's natural and immersive atmosphere.
- **Prop Modeling and Texturing - Dahlia Student Film**
September 2023
 - As a 3D prop artist for the student film "Dahlia", I poured my creativity into crafting a nightstand and a record player, collaborating with the film's art direction team to ensure the nightstand and record player complemented the visual storytelling, aiming to enhance the film's emotional resonance and authenticity.
